Description

Immaculate 2021 Maritimo X50, Upgraded 800HP Scania's, New Quick 19 Gyro Stabiliser July 2022 , just antifouled, available for immediate delivery. 148HRS

Cosmetically gracing the exterior lines of this beautiful and unique 2 pac finished Grey X50 is the inclusion of black 2 pac painted roof, radar, targa, domes and accessories. One of only 2 Grey X50s built.

This X50 combines upgraded engines to 800HP 13 Litre Scania's shaft drives (Standard is 670HP Volvo D11) with highly efficient propulsion through upgraded high performance custom tuned propellers, delivering amazing performance as well as a range of entertainment and living features.

Top speed 33kts with an effortless 26KT cruise. Shaft drive with bow and stern thrusters.

The X-Series models feature an aft accommodation space that increases the size of living spaces in the forward accommodation and neutrally balances the hull for enhanced performance, fuel economy and ride comfort. Accessible from both saloon and swim platform deck, the aft accommodation space features the now famous beach club cabin with ensuite. The area has been perfected for use as an entertainment and water sports hub, with the added ability to convert to guest stateroom via a standard hideaway bed integrated into the bar area.

The simplicity of our direct shaft drive design is a foundational hallmark of Maritimo's simplicity and reliability. As world leaders in shaft driven performance, The X50 is designed to meet expectations of delivering class leading fuel economy, range, high speed cruise and ocean-going comfort in addition to top end performance.

This Maritimo X50 handling and maneuverability also benefits from race infused hydraulic power steering. When combined with the the upgraded Scania 800HP engines there is a sense of track like responsiveness and handling, providing an agile driving experience at any speed.

SOFT FURNISHINGS AND JETSKI NOT INCLUDED IN SALE.
