Description

OWNER UPGRADES AND AN AMAZING OPPORTUNITY PRESENTS ITSELF.

This was is the most highly optioned Clipper Cordova 48 ever built and the meticulous attention to detail truly reflects on every aspect of this stunning vessel.

Powered by twin Cummins QSB 440 HP diesels and had a extended three year warranty package from delivery date. Two cabin and two bathroom layout the 48 also is equipped with a hydraulic swim platform that can carry up to 800KG

No expense spared on the comprehensive list of electronics including Raymarine E 125 touch screen displays with radar, GPS and plotter systems to both the upper and lower helm, auto pilot and VHF at upper and lower stations, chain counters, twin Smartcraft engine monitoring gauges at each helm and Fusion DVD and ipod system throughout the saloon, cockpit and flybridge and even includes a KVH satellite TV dome. Internally this 48 has an extremely open and contemporary design and features twin Franke recessed sinks with strainers and teak insert cutting boards along with Smeg cooktop and Smeg combination convection oven, grill and microwave.

Air conditioning throughout the saloon and cabins along with an upgraded 13.5 kva genset and 2000 watt inverter for excellent power control at anchor. Two 40 inch LED TVs can be used in the saloon or on the flybridge area which is upgraded with a rear euro awning for shade to the rear rail, Sunbrella upholstery, bbq, sink and combo icemaker and fridge, of course she has a hardtop and clears to three sides with a rear Sunbrella enclosure across the rear of the bridge complimented by a stainless steel aft awning mounted to the hardtop.

Even the engine room has been customised with teak grating between the engine bed liners giving this Clipper 48 a complete custom finish.
