Martimo[®]

OCEANS APART

LUXURY AND PERFORMANCE IN PERFECT HARMONY

Built in Australia by the finest craftsman, Maritimo blends its race honed performance pedigree with Australia's easy living approach to create luxury boating with rugged blue water credentials.

We are dedicated to crafting distinctive high quality motoryachts that are thoughtfully laid out and luxuriously finished. Each offers its owner timeless elegance and unparalleled abilities in the water.

Maritimo®

OCEANS APART

CONTEMPORARY STYLE MEETS INTELLIGENT LUXURY AND PERFORMANCE.

The Maritimo S-Series offers you a sleek, low slung sedan exterior style ideal for height constricted waterways. The all-in-one interior layout is suited to those who prefer the bridge integrated on a single level with the lounge and entertaining area.

Underneath the hand crafted wood, fine leather and clever ergonomics you'll find the best in nautical design that ensures simplicity, efficiency and cruisability.

When it's time for deep-water action you'll find Maritimo's racing edge more than meets the demands of the sports fisherman and high performance island-hoping adventure.

AFT GALLEY

Whether you're entertaining in the cockpit or saloon, the chef remains part of the conversation with Maritimo's aft galley arrangement and wide opening bi-fold doors. Fitted out with Miele appliances including a full stand up dishwasher, speed oven, cook top with range hood and refrigerator with in-built ice maker.

FULL BEAM MASTER CABIN

Every Maritimo S-Series motoryacht provides a full beam master cabin with king or queen size bed, ensuite and chaise lounge.

BI-FOLD DOORS

Unique bi-fold doors open up the whole living space in to one large entertaining area. Entertaining is a breeze with the galley as the centre of the action and the island bench doubling as a cocktail bar. For those cooler days or to access the cockpit while running, you only need open one port side door.

WALK AROUND DECKS

The walk around side decks of a Maritimo allow safe and easy access to the foredeck, perfect for children and pets. Whether your pulling up a mooring, dropping anchor, tying up at a wharf, getting the lines and fenders ready, or for those who like to wet a line, you'll wonder how you ever managed without them.

EASY HANDLING AND BERTHING

Maritimo's ergonomic dashboards feature the latest large screen electronics and intuitively configured controls for easy handling. They can be fitted with optional docking thrusters to aid berthing and vessel control in tight confined canal type waterways or crowded marinas. Key engine controls are also replicated in the aft cockpit for simpler docking.

EFFICIENT RACE BRED SHAFT DRIVE

Smart, innovative, practical design lies at the heart of the Maritimo philosophy. Big ideas - like a low angle race bred shaft drive and our patented hand laid super strong hull ensures best in class efficiency and excellent sea going abilities. Attention to detail - like fitting instantly sighted fuel gauges and creating a simple concise electrical panel layout makes everyday boat management and long distance performance cruising straightforward and safe.

S62

THE MOTORYACHT THAT REDEFINES LUXURY MOTOR CRUISING

The S62 sedan motoryacht embodies Maritimo's refreshing approach to motoryacht design. This sleek flagship sedan offers you supreme power, superior nautical engineering, "best in class" fuel efficiency plus a relaxed on board living and entertaining thanks to a sumptuously finished contemporary single level bridge and saloon layout.

This is a serious ocean going luxury motoryacht yet with the helm and living area all on the same level, the low slung S62 is ideal for those who live on canals and waterways with low bridges

Twin Volvo 800 MHP engines place 1600MHP at your disposal, whilst Maritimo's race proven shaft drive and hull design technology ensures excellent fuel consumption for long range, high speed blue water cruising. You can island hop with ease, maintaining average speeds of 21 knots or more.

The S62 interior is elegant, smart and modern with three cabins and two bathrooms including a full beam master stateroom featuring a king size bed, ensuite, chaise lounge and make up vanity/study. Together with a beautifully appointed aft galley equipped with Miele appliances and spacious pantry, you'll want for nothing during long stays aboard.

There's relaxing room for everyone in the huge saloon where the already spacious single level, open plan layout is amplified by wide opening bi-fold saloon doors that bring the outside in. Open the sunroof, side windows (optional) and bi-fold doors and make the S62 an entertainer's dream - perfect for those lazy days lunching at your favourite spot.

Your personal taste can be accommodated in to the finished layout including a choice of fine leathers, luxury carpet, hand crafted timber detailing, convertible berths, relocatable tables and a wet bar.

S54

THE COMPACT LUXURY ENTERTAINER

The Maritimo S54 sedan motoryacht sets its own performance and style benchmarks. Giving you the best in class, hand crafted luxury finishes and spacious layouts found in the S62 within a more compact hull.

The S54 offers you long-range sea legs and a beautiful apartment style interior taking entertainment to the next level.

This compact luxury entertainer is an easily managed motoryacht without the usual compromises.

All the Maritimo hallmarks are aboard - wide walk around decks, aft galley design with a full-size fridge, well-appointed pantry and top quality appliances. The full beam master cabin features a queen bed, ensuite and mezzanine level vanity/study. Family and friends are comfortably accommodated in the forward guest suite or bunks to starboard with a day head easily accessed by both. Aft bi-fold doors seamlessly blend the rear cockpit with the spacious saloon and bridge ensuring a breezy, easy living boat that's ideal for relaxed entertaining.

With twin Volvo D11 - 670 MHP engines powering you at an average cruising speed of 21 knots for up to 500 nautical miles and twin long range fuel tanks holding up to 1000 US gallons, this is 'go anywhere' luxury. The low angle straight shaft drive delivers a very comfortable 5 degree bow high cruise attitude for long range fuel efficiency and a motoryacht that handles rough seas with remarkable ease.

In keeping with all Maritimo motoryachts, your personal taste can be accommodated with a choice of high quality hand crafted contemporary finishes, including high gloss Wenge timber and the option of standard island, eurostyle, or sports fishing transoms.

S51

A FRESH LOOK AT WHAT'S POSSIBLE WITHIN A COMPACT MOTORYACHT

The S51 embodies everything that the Maritimo approach to motoryacht design makes possible. Stylish and spacious this magnificent 51 footer provides all the facilities and benefits of our larger vessels in a more compact single level package.

Simple ideas that are often overlooked make all the difference - safe, wide, walk around decks and aft bi-fold doors to the rear cockpit, which together with a generously proportioned aft galley and the combined saloon and bridge amplify your living space.

Everywhere you look you'll find smart thinking that makes the most of every space. Ideas such as the electrically operated lazarette hatch in the cockpit (optional) which provides a large under deck area for a tender or water sports equipment. There's an easily accessible lazarette that can be fitted with large freezer, under floor fish bins, and optional live bait tanks to go along with the optional fishing transom.

When it's time for action, Maritimo's hull design and race-bred direct shaft drive create a boat with superb balance, poise and fuel efficiency. A unique approach which results in a rugged, yet easy to handle, 1340 horsepower powerhouse perfectly equipped to indulge your desire for fun and luxury.

Like all Maritimo motoryachts, the S51 comes with a five-year structural warranty ensuring thousands of hours of efficient, reliable running.
